I, PAUL ARMSTRONG, of full age, hereby certify as follows:

1. I am the founder and President of Earthwhile Endeavors Inc. ("Earthwhile")
2. Earthwhile manufactures various pet care products under the Earthbath name.
3. Since 1995, Earthwhile has been dedicated to producing high quality, pet grooming products including various grooming wipes, shampoos, and sprays for dogs and cats using the finest botanical ingredients.
4. Earthwhile takes a natural approach to pet care products and uses ingredients that are derived from natural sources and contain no soaps, parabens, synthetic dyes, sulfates or phthalates.

5. Earthwhile takes its obligations to its customers seriously and strives for transparency and consistently reviews its labels in order to make sure they comply with industry standards.

6. In November of 2015, we changed our labels to remove the "All Natural" notation on some of the products, including the Hypo-Allergenic Grooming Wipes. Our product labels in use between 2015 and 2017 for the 25 products which are the subject to this action are attached hereto as Exhibit A.

7. After the FTC ruling in 2016 on the use of "100% Natural" and "All Natural" we conducted a thorough review of all our labels and made changes to our labels and marketing materials. That review led to the elimination of the word "totally" in our slogan "totally natural pet care." We revised our slogan to say instead "natural pet care" and made other revisions to our labels to scrub any instances of qualifying words around "natural." At the same time, we also did an intensive review of all catalogs, marketing and point-of-sale materials, as well as our website, and removed all qualifying references around "natural" in those materials as well.

8. The relabeling was a lengthy process, and new artwork for our products began to be finalized in September of 2017. Our new labels entered the stream of commerce in February of 2018 as we as we simultaneously relabeled existing finished goods by hand in our warehouse and produced and shipped new products with the revised labels. The current labels for the 25 products at issue in this action are attached hereto as Exhibit B.

9. That relabeling was done in consultation with counsel and was an expensive and arduous enterprise done in good faith in response to the guidance promulgated by the Federal Trade Commission.

I hereby certify under penalty of perjury that the foregoing is true and correct.

Dated: February 5, 2019

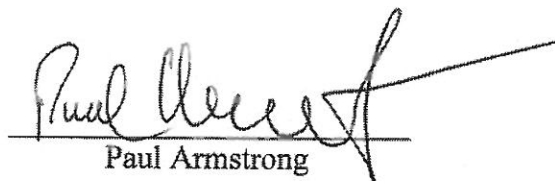

Paul Armstrong

EXHIBIT A

earthbath® totally natural pet care

A Natural Approach
earthbath® Hypo-Allergenic Grooming Wipes safely and easily wipe away dirt and odor between baths. Handily clean pets' dirty paws and undercoat. Remove dander, drool, discharge and cling-ons from playing in the unknown. Mild cleansers deodorize, freshen and clean as the exotic Hawaiian awapuhi conditions the coat and imparts a healthy shine. Aloe vera and vitamin E moisturize both coat and skin. Safe for all animals over 6 weeks old.

- Wipes Away Dirt & Dander

A Natural Approach

earthbath® searched the world for an essence that would get to the root of unpleasant scents and discovered rosemary. Renowned for its fresh, long-lasting scent and skin soothing properties, this fine, natural essence creates a mild deodorizing shampoo that cleans thoroughly and safely. It will leave your best friend's coat soft, plush, and smelling naturally fresh for days. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

About earthbath®

We design all of earthbath's pet products with the health of your beloved, furry friend in mind. We believe that the only ingredients that touch your pet's coat and skin should be totally natural, non-toxic, and as gentle as possible. earthbath® makes a wide array of environmentally sound pet products. We hope to serve as a model for a new way of doing business which puts principles on par with profits.

Ingredients

Purified water, renewable plant-derived and coconut-based cleansers, aloe vera, vitamins A, B, D & E, glycerin, rosemary oil, natural preservative.

Non-Ingredients

Anything that would harm your pet or the environment. This product contains no soap, gluten, DEA, parabens, synthetic dyes or perfumes, SLS/SLES, phthalates, or enzymes and is animal cruelty free. Sudsy runoff is safe and harmless to plants and animals.

Precautions

Avoid contact with eyes. Product is solely intended for use on coat and skin. Flush thoroughly with clean water if eye contact occurs. Keep out of reach of children. If swallowed (by humans), consult a physician.

A Natural Approach

Some of our beloved furry friends have skin allergies and sensitivities that can make it difficult to get clean and simultaneously remain happy. (Puppies & kittens, older pets, certain breeds and allergy prone animals often benefit from a hypo-allergenic formulation). earthbath® solved this dilemma by blending the finest natural ingredients into this ultra mild, hypo-allergenic, tearless shampoo.* Per vet's orders it is intentionally free of any fragrance or coloration. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

2-in-1 Conditioning CAT SHAMPOO

Light Wild Cherry

EXTRA GENTLE CONDITIONING FORMULA

100% Biodegradable 16 fl. oz (472 ml) Animal Cruelty Free

Instructions for Use

Shake well before using. On a wet coat, lather your cat thoroughly with a few good palm-fuls of earthbath Totally Natural Cat Shampoo. Remember to eliminate all escape routes well in advance (a tip: once your cat is slippery wet, he or she is suddenly smarter and faster than you are). Work lather from head to tail, keeping out of eyes. Leave on for at least 90 seconds to allow the gentle conditioners and aloe vera to work their magic. May be diluted ten parts water to one part shampoo if desired.

Guaranteed Satisfaction

Top groomers and veterinary hospitals know and trust the earthbath® line of products because they use them. We're sure you'll be satisfied too! If you're not completely satisfied with your retail purchase for any reason, we'll refund your money. Simply send the unused portion along with purchase receipt and a quick note telling us why (please), and we'll quickly send you a refund. If you like earthbath®, please tell your friends (and us). A Natural Approach

This gentle shampoo contains orange oil, which has long been recognized as an effective deodorizer, degreaser, and fur stain remover. In addition to thoroughly cleaning your "dirty dog," this shampoo will bring out the sheen and natural highlights in their coat. Orange oil is also known to calm and relieve common skin and itching problems associated with flea bites. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

A Natural Approach

Tea tree oil has long been recognized as an effective and beneficial remedy for skin irritations, insect bites and itching. Aloe vera is widely known as one of nature's finest soothing emollients and comes from plants found in American deserts. These pure, natural ingredients soothe and relieve hot spots and itchy, dry or chafed skin caused by flea bites, dandruff or other dermatitis. This mild shampoo will leave pets' coats soft, plush & shiny. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

Rev 2018-06

A Natural Approach

Unpleasant scents and odors don't stand a chance against earthbath® Deodorizing Shampoo. The fresh, long-lasting scent of rosemary oil harnesses the secrets of the Mediterranean in this formula, magically neutralizing doggone odors while cleaning thoroughly and safely. It will leave your best friend's coat soft, plush, and smelling naturally fresh for days. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

About earthbath®

We design all of earthbath's pet products with the health of your beloved, furry friend in mind. We believe the ingredients that touch your pet's coat and skin should be as naturally effective, non-toxic, and gentle as possible. That's why our formulas are developed and blended in the USA with ingredients such as renewable plant-derived and coconut-based cleansers, organic aloe vera, and botanical fragrances found in nature. We strive to make products that are better for your pet and the planet.

Ingredients

Purified water, renewable plant-derived and coconut-based cleansers, organic aloe vera, vitamins A, B, D & E, glycerin, rosemary oil, preservative.

Non-Ingredients

What goes into our products is just as important as what doesn't. This product contains no soap, gluten, DEA, parabens, synthetic dyes, sulfates, or phthalates, and is animal cruelty free, for a better bath every time.

Precautions

Avoid contact with eyes. Product is solely intended for use on coat and skin. Flush thoroughly with clean water if eye contact occurs. Keep out of reach of children. If swallowed (by humans), consult a physician.

Instructions for Use

Shake well before using. On a wet coat, lather your pet thoroughly with a few good palm-fuls of earthbath® shampoo. Remember to eliminate all escape routes well in advance (a tip: once your pet is slippery wet, he or she is suddenly smarter and faster than you are). Work lather from head to tail and keep out of eyes. Leave on for at least 90 seconds to allow gentle cleansers and rosemary to work their magic. For extra sheen and manageability, use with earthbath conditioner. May be diluted ten parts water to one part shampoo if desired.

Guaranteed Satisfaction

Top groomers and veterinary hospitals know and trust the earthbath® line of products because they use them. We're sure you'll be satisfied too! If you're not completely satisfied with your retail purchase for any reason, we'll refund your money. Simply send the unused portion along with purchase receipt and a quick note telling us why (please), and we'll quickly send you a refund. If you like earthbath, please tell your friends (and us). A Natural Approach

Some of our beloved furry friends have skin allergies and sensitivities that can make it difficult to get clean and remain simultaneously happy. (Puppies & kittens, older pets, certain breeds and allergy prone animals often benefit from a hypo-allergenic formulation.) earthbath® solved this dilemma by blending the finest ingredients into this mild, hypo-allergenic shampoo. Per vets' orders it is intentionally free of any fragrance or coloration. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

Instructions for Use

Shake well before using. On a wet coat, lather your dog thoroughly with a few good palm-fuls of earthbath® shampoo. Remember to eliminate all escape routes well in advance (a tip: once your pet is slippery wet, he or she is suddenly smarter and faster than you are). Work lather from head to tail and keep out of eyes. Leave on for at least 90 seconds to allow gentle cleansers and sweet orange oil to work their magic. May be diluted ten parts water to one part shampoo if desired.

Guaranteed Satisfaction

Top groomers and veterinary hospitals know and trust the earthbath® line of products because they use them. We're sure you'll be satisfied too! If you're not completely satisfied with your retail purchase for any reason, we'll refund your money. Simply send the unused portion along with purchase receipt and a quick note telling us why (please), and we'll quickly send you a refund. If you like earthbath, please tell your friends (and us). A Natural Approach

earthbath® blended the finest antioxidants and skin moisturizers to create this Shed Control Shampoo. This potent formula contains organic fair trade shea butter, omega-6 fatty acids, and the extracts of green tea leaf, ginseng, and awapuhi to nourish & detoxify skin and coat while helping to control excessive shedding, dander and associated allergens. Naturally, this pH-balanced soap-free shampoo will thoroughly clean & deodorize, leaving your pet brilliantly soft and heavenly scented™.

About earthbath®

We design all of earthbath's pet products with the health of your beloved, furry friend in mind. We believe the ingredients that touch your pet's coat and skin should be as naturally effective, non-toxic, and gentle as possible. That's why our formulas are developed and blended in the USA with ingredients such as renewable plant-derived and coconut-based cleansers, organic aloe vera, and botanical fragrances found in nature. We strive to make products that are better for your pet and the planet.

Ingredients

Purified water, renewable plant-derived & coconut-based cleansers, organic shea butter, omega-6 fatty acids, extracts of green tea leaf, ginseng & awapuhi, organic aloe vera, panthenol, D-biotin, phytic acid, glycerin, allantoin, preservative.

Non-Ingredients

What goes into our products is just as important as what doesn't. This product contains no soap, gluten, DEA, parabens, synthetic dyes, sulfates, or phthalates, and is animal cruelty free, for a better bath every time.

Precautions

Avoid contact with eyes. Product is solely intended for use on coat and skin. Flush thoroughly with clean water if eye contact occurs. Keep out of reach of children. If swallowed (by humans), consult a physician.

Instructions for Use

Shake well before using. On a wet coat, lather your pet thoroughly with a few good palm-fuls of earthbath® shampoo. Work lather from head to tail, being careful to keep out of eyes. Leave on for at least 90 seconds to allow the organic shea butter and omega-6 fatty acids to work their magic. May be diluted ten parts water to one part shampoo if desired. For best results, brush coat thoroughly prior to bathing to release loose fur and dander.

Guaranteed Satisfaction

A Natural Approach

Tea tree oil has long been reputed to be an effective and beneficial remedy for skin irritations, insect bites and itching. Aloe vera is widely regarded as one of nature's finest soothing emollients and comes from plants found in American deserts. These botanical ingredients help soothe and relieve hot spots and itchy, dry or chafed skin caused by flea bites, dandruff or other dermatitis. This mild shampoo will leave pets' coats soft, plush & shiny. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

Rev 201709

A Natural Approach

earthbath® proudly formulated this shine enhancing Oatmeal & Aloe Conditioner with botanical fragrances of vanilla & almond to effectively detangle, enrich, and revive your pet's coat. The addition of colloidal oatmeal, organic shea butter, and organic aloe vera help re-moisturize and soothe skin, too. This sumptuous conditioner will leave your best friend's coat soft and plush while bringing out its natural luster and brilliance. Used in conjunction with earthbath® Oatmeal & Aloe Shampoo, and your pet's coat will be plush and smell naturally fresh. Will not wash off topical flea applications. Safe for all animals over 6 weeks.

About earthbath®

We design all of earthbath's pet products with the health of your beloved, furry friend in mind. We believe the ingredients that touch your pet's coat and skin should be as naturally effective, non-toxic, and gentle as possible. That's why our formulas are developed and blended in the USA with ingredients such as renewable plant-derived and coconut-based cleansers, organic aloe vera, and botanical fragrances found in nature. We strive to make products that are better for your pet and the planet.

Ingredients

Purified water, vegetable-derived conditioner & detangler, colloidal oatmeal, organic aloe vera, organic shea butter, cetearyl alcohol, hydrolyzed silk protein, botanical fragrances of vanilla & almond, preservative.

Non-Ingredients

What goes into our products is just as important as what doesn't. This product contains no soap, gluten, DEA, parabens, synthetic dyes, sulfates, or phthalates, and is animal cruelty free, for a better bath every time.

Precautions

Avoid contact with eyes. Product is solely intended for use on coat and skin. Flush thoroughly with clean water if eye contact occurs. Keep out of reach of children. If swallowed (by humans), consult a physician.

Instructions for Use

Shampoo your best little friend with your favorite earthbath® shampoo and rinse thoroughly. On a clean and wet coat, apply conditioner liberally and massage deeply into coat (& skin if possible). Leave on for a minute or two to allow the conditioners & emollients to permeate coat and for the oatmeal and organic shea butter to help re-moisturize the skin. Rinse completely with clean warm water. Towel dry with a big hug. May be diluted ten parts water to one part conditioner if desired.
